PROFESSIONAL CERTIFICATES AND COURSE SERIES

Leading the Modern Day Business

Type: Assessment-based Course Series Certificate, Categories: Product Management/Portfolio Management

Content Provider: Darden School of Business/Boston Consulting Group, Certification Authority: Coursera Inc.

Date of certification/attestation: February 2022; no expiration date

Download URL: https://bit.ly/3JlDTyc

Verification URL: https://www.coursera.org/verify/specialization/6FNJSNYVGWVR

Scaled Professional Scrum (SPS)

Type: Professional Certificate, Categories: Product Management/Project Management (Agile)

Content Provider: Scrum.org, Certification Authority: Scrum.org

Date of certification/attestation: Mai 2021; no expiration date

Download URL: https://bit.ly/3BgED4Y

Verification URL: https://www.credly.com/badges/0aac969c-9b50-469c-8d04-774419029a8a

Professional Scrum Product Owner (PSPOI)

Type: Professional Certificate, Categories: Product Management

Content Provider: Scrum.org, Certification Authority: Scrum.org

Date of certification/attestation: April 2021; no expiration date

Download URL: https://bit.ly/3HHTw2v

Verification URL: https://www.credly.com/badges/c1e1c95c-d948-4343-ad59-cd3968b138e7

Professional Scrum Master (PSMI)

Type: Professional Certificate, Categories: Project Management (Agile)

Content Provider: Scrum.org, Certification Authority: Scrum.org

Date of certification/attestation: January 2021; no expiration date

Download URL: https://bit.ly/3Lruc2X

Verification URL: https://www.credly.com/badges/a530d862-491c-4039-9820-cd64a386710a

SAS Programmer

Type: Professional Certificate, Categories: Software Engineering/Data Engineering

Content Provider: SAS, Certification Authority: Coursera Inc.

Date of certification/attestation: June 2020; no expiration date

Download URL: https://bit.ly/3oFtxRP

Verification URL: https://www.credly.com/badges/9867290d-fe2d-48ef-b68a-2393042d32a7

AI Engineering Professional

Type: Professional Certificate, Categories: Data Engineering/Data Analysis

Content Provider: IBM, Certification Authority: Coursera Inc.

Date of certification/attestation: March 2020; no expiration date

Download URL: https://bit.ly/3JoXnSB

Verification URL: https://www.credly.com/badges/9c4ae768-e3ab-4407-a3af-3b7bcf9f4d87

Data Science Professional

Type: Professional Certificate, Categories: Data Analysis/Software Engineering

Content Provider: IBM, Certification Authority: Coursera Inc.

Date of certification/attestation: February 2020; no expiration date

Download URL: https://bit.ly/3sB168P

Verification URL: https://www.credly.com/badges/91e2825d-9213-4c4a-97de-423129bb8df4

COURSE CERTIFICATES

Practical Deep Learning with PyTorch

Type: Certificate of Completion, Categories: Software Engineering/Data Analysis

Content Provider: Udemy Instructor Community, Certification Authority: Udemy Inc.

Date of certification/attestation: April 2022; no expiration date

Download-/Verification URL: https://www.ude.my/UC-d9614508-c9a8-45e7-9deb-f07553fd8103

Data Analysis with Pandas and Python

Type: Certificate of Completion, Categories: Software Engineering/Data Analysis

Content Provider: Udemy Instructor Community, Certification Authority: Udemy Inc.

Date of certification/attestation: April 2022; no expiration date

Download-/Verification URL: https://www.ude.my/UC-d7facbe2-e1f6-4ad4-839f-11917cf30031

PyTorch for Deep Learning and Computer Vision

Type: Certificate of Completion, Categories: Software Engineering/Data Analysis

Content Provider: Udemy Instructor Community, Certification Authority: Udemy Inc.

Date of certification/attestation: March 2022; no expiration date

Download-/Verification URL: https://www.ude.my/UC-fe43b286-7195-46b4-991a-c34f303dc0ee

Customer-Centric IT Strategy

Type: Assessment-based Course Certificate, Categories: Business Strategy

Content Provider: University of Virginia/Darden School of Business, Certification Authority: Coursera Inc.

Date of certification/attestation: February 2022; no expiration date

Download-/Verification URL: https://www.coursera.org/verify/FPKW5879E4KM

Type: Assessment-based Course Certificate, Categories: Product Management

Content Provider: University of Virginia/Darden School of Business, Certification Authority: Coursera Inc.

Date of certification/attestation: February 2022; no expiration date

Download-/Verification URL: https://www.coursera.org/verify/PJR5AL8P4XPU

Go: The Complete Developer's Guide

Type: Certificate of Completion, Categories: Software Engineering

Content Provider: Udemy Instructor Community, Certification Authority: Udemy Inc.

Date of certification/attestation: February 2022; no expiration date

Download-/Verification URL: https://www.ude.my/UC-1ee9cc82-6f8b-4deb-9f5c-a6c0910fa928

Design Thinking for Innovation

Type: Assessment-based Course Certificate, Categories: Project Management (Agile)

Content Provider: University of Virginia/Darden School of Business, Certification Authority: Coursera Inc.

Date of certification/attestation: January 2022; no expiration date

Download-/Verification URL: https://www.coursera.org/verify/CPRGGSM868U2

Getting Started with Magic xpi 4.x

Type: Certificate of Attendance, Categories: Data Engineering

Content Provider: Magic Software Enterprises, Certification Authority: Magic Software Enterprises

Date of certification/attestation: July 2021; no expiration date

Download URL: https://bit.ly/3gJgCtu

Digital Transformation

Type: Assessment-based Course Certificate, Categories: Portfolio Management/Change Management

Content Provider: University of Virginia/Boston Consulting Group, Certification Authority: Coursera Inc.

Date of certification/attestation: Mai 2021; no expiration date

Download-/Verification URL: https://www.coursera.org/verify/KN29W5GWFEMC

MPN Competency: Windows IoT for Device Builders

Type: Assessment-based Course Certificate, Categories: License Management

Content Provider: Microsoft Learn, Certification Authority: Microsoft

Date of certification/attestation: March 2021; no expiration date

Download URL: https://bit.ly/34MnMdV

Practical SAS Programming

Type: Assessment-based Course Certificate, Categories: Software Engineering/Data Engineering

Content Provider: SAS, Certification Authority: Coursera Inc.

Date of certification/attestation: June 2020; no expiration date

Download-/Verification URL: https://www.coursera.org/verify/FDTG46Z2Q4Y4

Doing More with SAS Programming

Type: Assessment-based Course Certificate, Categories: Software Engineering/Data Engineering

Content Provider: SAS, Certification Authority: Coursera Inc.

Date of certification/attestation: Mai 2020; no expiration date

Download-/Verification URL: https://www.coursera.org/verify/D74628QPEP7U

Getting Started with SAS Programming

Type: Assessment-based Course Certificate, Categories: Software Engineering/Data Engineering

Content Provider: SAS, Certification Authority: Coursera Inc.

Date of certification/attestation: Mai 2020; no expiration date

Download-/Verification URL: https://www.coursera.org/verify/KQCZ7L885PR4

Datenschutz Basisschulung

Type: Certificate of Attendance, Categories: Data Protection/Data Privacy

Content Provider: DataGuard, Certification Authority: DataGuard

Date of certification/attestation: March 2020; no expiration date

Download URL: https://bit.ly/3swCbD9

Building Deep Learning Models with TensorFlow

Type: Assessment-based Course Certificate, Categories: Software Engineering/Data Analysis

Content Provider: IBM, Certification Authority: Coursera Inc.

Date of certification/attestation: February 2020; no expiration date

Download-/Verification URL: https://www.coursera.org/verify/DSU4BY3DYJWN

Deep Neural Networks with PyTorch

Type: Assessment-based Course Certificate, Categories: Software Engineering/Data Analysis

Content Provider: IBM, Certification Authority: Coursera Inc.

Date of certification/attestation: February 2020; no expiration date

Download-/Verification URL: https://www.coursera.org/verify/SRXWVCNKCBCJ

Introduction to Deep Learning & Neural Networks with Keras

Type: Assessment-based Course Certificate, Categories: Software Engineering/Data Analysis

Content Provider: IBM, Certification Authority: Coursera Inc.

Date of certification/attestation: February 2020; no expiration date

Download-/Verification URL: https://www.coursera.org/verify/BZRGNTF64ASW

Scalable Machine Learning on Big Data using Apache Spark

Type: Assessment-based Course Certificate, Categories: Software Engineering/Data Analysis

Content Provider: IBM, Certification Authority: Coursera Inc.

Date of certification/attestation: February 2020; no expiration date

Download-/Verification URL: https://www.coursera.org/verify/B9YQCH798SRQ

Data Analysis with Python

Type: Assessment-based Course Certificate, Categories: Software Engineering/Data Analysis

Content Provider: IBM, Certification Authority: Coursera Inc.

Date of certification/attestation: January 2020; no expiration date

Download-/Verification URL: https://www.coursera.org/verify/RGD8SSH7WSMG

Data Visualization with Python

Type: Assessment-based Course Certificate, Categories: Software Engineering/Data Analysis

Content Provider: IBM, Certification Authority: Coursera Inc.

Date of certification/attestation: January 2020; no expiration date

Download-/Verification URL: https://www.coursera.org/verify/D4VYGFWATKH6

Machine Learning

Type: Assessment-based Course Certificate, Categories: Software Engineering/Data Analysis

Content Provider: Stanford University, Certification Authority: Coursera Inc.

Date of certification/attestation: January 2020; no expiration date

Download-/Verification URL: https://www.coursera.org/verify/VVU2DB6E3KDL

Machine Learning with Python

Type: Assessment-based Course Certificate, Categories: Software Engineering/Data Analysis

Content Provider: IBM, Certification Authority: Coursera Inc.

Date of certification/attestation: January 2020; no expiration date

Download-/Verification URL: https://www.coursera.org/verify/EVQMQ67SRGVB

Data Science Methodology

Type: Assessment-based Course Certificate, Categories: Software Engineering/Data Analysis

Content Provider: IBM, Certification Authority: Coursera Inc.

Date of certification/attestation: December 2019; no expiration date

Download-/Verification URL: https://www.coursera.org/verify/VFEBNVUK7M3S

Databases and SQL for Data Science

Type: Assessment-based Course Certificate, Categories: Software Engineering/Data Analysis

Content Provider: IBM, Certification Authority: Coursera Inc.

Date of certification/attestation: December 2019; no expiration date

Download-/Verification URL: https://www.coursera.org/verify/Q63KYE83HNZT

English for Business and Entrepreneurship

Type: Assessment-based Course Certificate, Categories: Language

Content Provider: University of Pennsylvania, Certification Authority: Coursera Inc.

Date of certification/attestation: December 2019; no expiration date

Download-/Verification URL: https://www.coursera.org/verify/Y5K2JNDJCP2S

Open Source tools for Data Science

Type: Assessment-based Course Certificate, Categories: Software Engineering/Data Analysis

Content Provider: IBM, Certification Authority: Coursera Inc.

Date of certification/attestation: December 2019; no expiration date

Download-/Verification URL: https://www.coursera.org/verify/E3EG6D5S47TH

Python for Data Science and AI

Type: Assessment-based Course Certificate, Categories: Software Engineering/Data Analysis

Content Provider: IBM, Certification Authority: Coursera Inc.

Date of certification/attestation: December 2019; no expiration date

Download-/Verification URL: https://www.coursera.org/verify/2YNDTC28CLPF
